Full Description

Living Room / Dining room (4.27m x 6m)

An extremely well proportioned room which is situated at the front of the property. The room benefits from multiple large windows, which flood the room with bright sunlight, further accentuating the feeling of space, and making it feel bright and airy. Originally two rooms that have been knocked into one, the dimensions are superb and allow the property to provide versatile living accommodation, as there is plenty of room for a dining suite if required, thereby creating the perfect space for entertaining. The room has been refurbished to a good standard that is ready to move straight into; with tasteful, neutral decor and beautifully varnished wooden floors.

Kitchen (3.9m x 4.31)

Another well appointed and spacious room. The kitchen provides an ample range of base and wall units, aesthetically enhanced by complimentary work tops. The kitchen also benefits from an integrated oven and hob, washing machine, fridge and freezer. A large window allows plenty of natural light into the room, creating a pleasant atmosphere that is reflected throughout the property. Once again, the dimensions of the room are large enough for the property to provide versatile living accommodation, as this is another area large enough to accommodate a dining suite, therefore perfectly reflecting the preferred method of modern living.

Bathroom (1.59 x 2.92)

The bathroom is ready to move straight into, finished with a modern white suite and an over the bath shower.

Master Bedroom (4.28 x 3.94)

Situated at the rear of the property, the Master is a good sized room that benefits from tasteful decor and modern carpet flooring. A huge asset to the room is a space separated from the room by double doors, which can be used as a large walk in wardrobe, but has the dimensions to be used for many other purposes, including housing an office desk. The room is further enhanced with en-suite facilities via a Jack and Jill bathroom; essential for the modern home.

Jack and Jill En-suite

A fantastic asset to the home, the Jack and Jill en-suite facilitates both the Master and the Second bedroom.

Second Bedroom (2.83m x 4.33)

A well good sized double second bedroom that is ready to move straight into with tasteful decor and modern carpet flooring. Situated at the front of the property, the room is bathed in sunlight and has a very pleasant atmosphere. The room is facilitated by the Jack and Jill en-suite.

Third Bedroom (1.94m x 1.95m)

The third bedroom has been finished in the same manner as the other two bedrooms and is a huge asset to the home, as it can be used for a multitude of purposes including third bedroom, guest room, home office etc.
